#### Price and boardcash

The board price of the voyage is the rent for ship and crew, which must be paid up front to Offshore Yacht Charter.

The Board cash is the contribution for food and drinks on board (also for the crew) and for fuel, water, electricity and tourist tax etc.

These expenses must be paid in cash to the skipper upon boarding. The contribution left over will be divided evenly amongst the guests at the end of the trip.

If there are less than 3 participants, the cash box is usually not sufficient. In that case there will be charged a maximum of € 50,- per person

If you like the security of a private cabin, you can reserve this for 1.5 times the boardprice.

#### Boarding

Boarding is at 18:00 o'clock local time - Disembarkation at 11:00 o'clock (pm).

After boarding the cabins will be divided. After dinner there will be an explanation about the ship and the safety of the ship and crew.

It is not possible to board earlier, because of cleaning and provisioning the ship. You can try to leave your luggage at the harbour office, or wait in a pub.

#### Transfers

Transportation to and from the ship is not included and has to be arranged by the guests themselves. You can find more detailed information for the various ports under 'transfer information' on our website [www.offshore-yacht-charter.com](http://www.offshore-yacht-charter.com).

#### Discount (bordprice)

If you book another sailingtrip within a year you will get a discount of 5%

If you book as a group ( 3 persons or more) everyone will get a discount of 5%

Youth discount, under 29 years you will get 10% discount

Discounts cannot be combined.

#### Privat charter

You can also rent the ship and crew. Multiply the board price with 6.5 + bordcash for each person.
